

Optimizing Insulin Pump Therapy

**Medtronic Diabetes presents a fun, informative program.
See your glucose levels 24 hours a day!**

**Learn to improve glucose control with the MiniMed Paradigm®
REAL-Time System - the world's only insulin pump with
REAL-Time continuous glucose monitoring (CGM).**

Who should attend:

- Current insulin pump users – family members welcome
- Anyone using insulin interested in going on an insulin pump

What we'll cover:

- **MiniMed Paradigm® REAL-Time System:** The most advanced therapy for managing diabetes
- **Insulin Pump Features:** Learn how to use the Dual Wave® Bolus, Square Wave® Bolus, Basal Patterns, and additional exciting features
- **REAL-Time CGM:** Take action right away* to gain better control of your glucose levels
- **Nutrition and Carbohydrate Counting:** Match insulin delivery with food content

When: Wed, Jul 27, 11 @5:30-6:30 PM
