

We have introduced big **Price Rollbacks** on laser hair reduction and skin rejuvenation treatments as well as Botox, Radiesse and Juvederm injections.

As you may know, our laser treatments are very effective and now it will cost you less to look as young as you feel!

Laser Treatments

Laser treatments for **skin rejuvenation** and **hair reduction** are **down from \$125 per 10 minute treatment to \$75.**

Leg vein treatment prices remain the same.

BOTOX® Injections

Botox **\$10** per unit (**down from \$ 13.00 per unit**)

To learn more see also www.BotoxCosmetic.com.

Radiesse® and Juvéderm® dermal fillers for temporary cheek augmentation, nasolabial fold reduction and lip augmentation

Now until February 14th, receive a FREE Vivité Defining Lip Plumper (a \$45.00 value) with any Juvederm treatment

Radiesse 1.5 ml syringe: **\$499.00** (down from \$650)

Radiesse 0.8 ml syringe: **\$250.00** (down from \$400)

Juvéderm 0.8 ml: **\$375** (down from \$575)

See also www.Radiesse.com ~ www.Juvederm.com

Request an appointment through our website, or call **384-5084**. **Schedule a no-charge consultation with Vickie or Michele** about these highly effective laser treatments and to take advantage of our price rollbacks. For all BOTOX®, Radiesse® and Juvéderm® injections, **schedule your no-cost consultation with Dr. O'Brien today**. Please note that if you have already had a consult with us, you can just schedule for treatment.

Questions? Call 384-5078 to speak with Michele or Vickie.

These specials are for both, our new and returning clients.

We look forward to serving you at the Cosmetic Laser Center of GMA!
