

Welcome to Glenwood Medical Associates' interactive website. By creating an account, you may be able to take advantage of our interactive features, which include:

For ANY Patient:

- **Complete registration forms**
 - o For new patients entering the practice, this provides a seamless and efficient way of registering as a patient before you come in, to save time and create more efficiency.
- **Request an appointment**
 - o This feature directs communication to our Reception Services Department, where we can set up and confirm an appointment for you on-line.

For EXISTING Patient, ONLY:

- **Request a prescription renewal on-line**
 - o This allows you to renew a prescription as a patient, provided you are an established patient and we have already placed you on the medication.
- **Pay your bill online**
 - o Our secure online banking system allows us to receive credit card payments through the convenience of the internet.
- **Ask a Doctor**
 - o If you have previously visited one of our providers and have a non-urgent question regarding a medical problem, this brief online form allows you to ask your Glenwood Medical Associates provider a brief non-urgent medical question.

When creating an Account, you will be asked to create a User ID and password, as well as provide some information to validate who you are. We do this for your security and protection. This form is processed securely and the information is encrypted.
