

To Whom it May Concern:

We have been clients of Premiercare since its inception. This has been the best choice we've ever made for our healthcare.

Some of the benefits we have enjoyed are:

- availability of our physician 24/7 by e-mail and his cell phone.
- Friendliness and friendship of Dr. Kruse and his staff.
- No long waits for appointments.
- Dr. Kruse takes time to visit with his patients and we don't feel rushed at our office visits .
- He puts his patients at ease.
- Dr. Kruse practices medicine with excellence and professionalism.
- He gives individual attention to good nutrition, vitamins and supplements and exercise programs for his patients.
- Premiercare provides newsletters periodically, and a quarterly magazine which gives good information regarding health issues.
- Questions regarding healthcare are given prompt attention and answers, with research, if necessary.

We would highly recommend Premiercare to anyone seeking excellence of healthcare in a family oriented setting. We are very grateful to be clients of Dr. Kruse.

Sincerely,
