

SOUTHERN PINES  
WOMEN'S  
HEALTH CENTER

A **FirstHealth** clinic

Did you know that Southern Pines Women's Health Center has the ability to securely transmit your clinical summary from each of your visits to your web portal account? A record of each of your visits is stored in your SECURE portal account.

All you need is a portal account! If you have yet to create an account, visit [www.spwhc.com](http://www.spwhc.com) and click on the CREATE AN ACCOUNT link to get started.

A clinical summary provides an overview of your visit history (allergies, medications, past medical history and more. Lab Results are populated approximately 2 – 3 days after your visit.
