Dear Mary Pat:

Thank you for partnering with Harvesters - The Community Food Network to end hunger in our community. With help from generous donors like you, we are able to assist tens of thousands of hungry children, adults and seniors each month.

The face of hunger in Greater Kansas City might surprise you. Nearly 60,000 people in our community require emergency food assistance every week, and fully half of those recipients are children and seniors. Almost half of the households served by Harvesters' member agencies include at least one employed adult, and one-third are served in suburban and rural areas. The face of hunger is often not the one you expect.

Please extend our heartfelt gratitude to everyone who helped make your food drive a success. In case you would like to get more involved in your community food bank, I've enclosed information about Harvesters' current volunteer opportunities. Individuals or groups can sign up to volunteer online at [www.harvesters.org](http://www.harvesters.org) or by calling 816-929-3090.

We look forward to working with you again as we continue to offer help - and hope - to those in need in Greater Kansas City.

Best Regards,

Paula Pratt  
Director of Community Outreach

We acknowledge receipt of 150 pounds of items for the period: March, 2010.  
Your generous donation provided 115 meals to individuals in our community.
