

Curbside Arrival

Let us know when you arrive for your appointment!

In a time where social distancing is key, [Atlanta Children's Clinical Center, P.C](#) is offering **Curbside Arrival**: This text-based solution allows you to announce your arrival from the safety of your own car, skipping the waiting room entirely and going straight to the exam room. **How it works:**

- **You'll receive a reminder text** 20 min prior to your appointment with your appointment time
- When you arrive in the parking lot, **announce your arrival** by replying "Here" to the reminder text
- **We'll text you instructions** to wait in the car and then again to proceed to a specific room (For promptness you may receive a phone call with the room #)
- **Copayment / Balances / Annual Administrative fees** will be collected over the phone during scheduling, if it's not a same day appointment please call the day of to do so.

Our goal is to provide our patients and their families with safe, timely, top-quality care. Curbside Arrival is one of the many ways we're able to do so.
