

Parenting Class: Managing the College Transition

Do you have a high school student?

Is your student totally stressed out about SATs, ACTs, college applications?

Are you worried about how they are going to handle college?

Are you concerned about their preserving their mental health?

If you worry or wonder about any of these, this class is for you! Our favorite psychologist, Dr. Leslie Campis, has given this talk to sold out auditoriums at neighborhood high schools and now you get to hear her in the intimate setting of our waiting room.

The class is at ACCC on Wednesday May 8th at noon. The cost is \$25 if you are a patient in our practice and \$35 if you are not. Please rsvp by Friday May 3rd so we know how many to expect at rsvp@atlchildrens.com. Please also email us at that address if you have questions. We look forward to seeing you!

Wednesday May 8th at noon at ACCC
