MEDICAL ASSOCIATES, P.C.

## Newborn & Child Health Care

**Lisa A. Harner, MD**  
**Brian Harrington, MD, MPH, FAAFP**

The providers at the Yampa Valley Medical Associates are committed to providing quality healthcare for your newborn, and ensuring that your child is healthy and safe. Yampa Valley Medical Associates is the largest primary care clinic in Yampa Valley, and provides a single medical home for the entire family. Our family physicians each have over 16 years of experience caring for newborns and children of all ages, including teenagers.

*A "meet and greet" appointment with your newborn provider is encouraged before the birth, and is free of charge.*

**Appointments available in:  
 Steamboat Springs and Hayden.**

**Steamboat Springs**  
**940 Central Park Drive | 879-3327**  
 Located on the 1st floor of the Medical Office Building, next to Yampa Valley Medical Center

**Hayden**  
**150 Jackson | 276-4270**

## *Our Newborn Care Providers:*

*Dr. Harner & Family*

*Dr. Harrington & Family*

### **Lisa A. Harner, MD**

Lisa is a graduate of the University of Texas at Austin and Temple University School of Medicine in Philadelphia, PA. She completed an internship in OB/GYN as well as an internship and residency in Family Medicine at Abington Memorial Hospital in Abington, PA. Dr. Harner is board certified in Family Medicine and is a member of the Performing Arts and Medicine Association, The International Association of Dance Medicine and Science and the National Eating Disorders Association. In addition to private practice, Dr Harner worked for The National Health Service Corps in Limon, CO prior to relocating to Steamboat Springs in 1999. Her areas of emphasis within Family Medicine include pediatrics, adolescent medicine, eating disorders, women's health, performing arts medicine and wellness. Lisa and her husband, Warren, have two children, Renny and Erin.

### **Brian Harrington, MD, MPH, FAAFP**

Brian is a graduate of Harvard College, Dartmouth Medical School, and the University of Washington School of Public Health. He completed his 3-year internship and residency training at Madigan Army Medical Center. He is board certified in Family Medicine and has earned the degree of Fellow by the American Academy of Family Physicians. He served 12 years as a physician in the US Army, with much of his time in academic medicine. Dr. Harrington has been published in peer reviewed journals and is currently a contributing editor for The Prescribers Letter, the country's most widely read independent review publication for prescription medications. He is married to Lori Harrington, MD, an orthopedic surgeon. They have four children.
