

Live the Power of *Pink*

*Pink is in bloom at Obstetrics & Gynecology Associates
with the addition of our*

NEW DIGITAL *Mammography* **SCREENING SUITE**

Opening This June At Our Brandon Office

Our busy patients can schedule their annual screening before their regular checkup, or for the same day at our Brandon office. This saves time and frustration.

It Will Feature:

The most advanced state-of-the-art digital technology

Experienced Mammography Screening Technicians

Screenings interpreted by our Board-Certified Breast Imaging Radiologists

Fast results reviewed personally with your OBGYN Associates physician

We're proud to be the area's only practice to offer these advanced services **in one special place.** It helps our patients to pursue their lifetime health goals with comfort and ease.

It's easy to schedule ***your*** mammogram screening;
just call our office today at **681-6625.**

Do it ***for You.*** Do it ***for Life.***
