

Dr. Michelle Donaldson, an orthopedic surgeon at Livingston HealthCare, is now board certified in sports medicine by the American Board of Orthopedic Surgery.

This new certification is in addition to her board certifications in orthopedic surgery and

Donaldson

wound care. Donaldson is one of only five orthopedic surgeons in Montana to receive this subspecialty certificate in sports medicine. Donaldson is an expert in minimally-invasive surgical techniques. She is currently the only orthopedic surgeon in the region using a minimally-invasive knee replacement procedure.
