

Rehabilitation Services

The Road to Recovery

Rehabilitation Services Team

Physical Therapy

Physical therapy addresses a patient's physical and functional limitations, including agility, balance, endurance, mobility, range of motion, and strength.

Occupational Therapy

Occupational therapy focuses on daily living activities required to return to home and work. This may include fine motor skills, self-help skills, and writing and sensory processing.

Speech Therapy

Speech therapy focuses on the development or disorders of speech, language, voice, feeding, swallowing, and functional communication.

Livingston HealthCare includes:

- **A** Livingston Memorial Hospital
- **A** Home Oxygen
- **B** Orthopedic and Rehabilitation Institute
- **C** Park Clinic (River Drive)
- **D** Park Clinic (West Crawford)
- **E** Home Care and Hospice Care
- Sleep Center, 1429 West Montana

Since 1955, Livingston HealthCare has provided premier-quality healthcare to the residents of Park County and surrounding communities. We keep our community healthy with a broad scope of services provided by well-trained and highly-skilled professionals. At Livingston HealthCare, we believe that **the way we care** is as important as the healthcare services we provide. That's why we like to say that we're more than just healthcare. We're really **the heart of community care.**

Orthopedic & Rehabilitation
INSTITUTE

For your health, our campus is tobacco free.

What are Rehabilitation Services?

Rehabilitation Services help you restore or improve the quality of your life, whether you are recovering from an injury or illness, or coping with a chronic condition. Our experienced team of physical, occupational, and speech therapists will create personal goals and a customized treatment program for you. Whether you are still in the hospital or already an outpatient, we offer care designed to get you back to what you love doing.

For Your Convenience

Rehabilitation services are available at two locations:

- Livingston: 601 Robin Lane (behind hospital)
- Wilsall: Shields Valley Health Center, 309 North Elliot Street
- Gardiner: Gardiner Baptist Fellowship Church, 802 Scott Street West

We'll create an individual treatment plan to help you get back to your life —to the things you love doing.

Rehabilitation Services

- Orthopedic and sports rehabilitation
- Specialized hand/wrist therapy
- Work and accident rehabilitation
- Neurological care (i.e., strokes, head injuries)
- Speech and language therapy
- Swallow studies and feeding conditions

Accessibility

Rehabilitation Services are available for outpatients Monday-Friday, from 7:30 am-5:30 pm in Livingston and on Monday and Wednesday afternoons in Gardiner. Services are offered to Livingston Memorial Hospital inpatients on a daily basis.

Patient Criteria

A physician referral is required for patients who may benefit from rehabilitation services.

Patient Billing

Most health insurance companies, including Medicare, cover rehabilitation services. At your request, our business office would be happy to verify your insurance coverage for you.
