SPAM filtering software may be installed on your computer or used by your email provider or Internet service provider. To ensure that you receive the email reminder, you can do one of the following:

- Add the "Medfusion.net" domain to your email "safe list".
- Add [noreply@hartfordmedicalgroup.com](mailto:noreply@hartfordmedicalgroup.com) and [patientservices@medfusion.net](mailto:patientservices@medfusion.net) to your email “safe list”.
- If your settings do not allow you to add email addresses to a "safe list," use the Help section or contact your email/Internet provider's Customer Support Dept. to research your configuration options.

Please print clearly and return this completed form to the front desk receptionist at your next visit, mail the form to your doctor’s office, or fax it to 860-545-7875:
