

The Women's HEALTH GROUP, P.C.

Welcome to The Women's Health Group! We understand you have many options for healthcare providers. We are happy that you chose us! Visiting a new doctor can be an unnerving experience. We are here for you and hope to make your visit as pleasant as possible.

In order to get to know you better and eliminate some of your waiting time, we are enclosing your new patient paperwork in this packet. **Please complete all the forms and bring them with you to your appointment. Please have your current insurance card and a photo I.D. with you (a driver's license or state-issued identification card will be sufficient).** The enclosed checklist should help you remember everything for your appointment.

It is our policy to collect all co-payments, co-insurance, and deductibles at the time of service. If you are unable to make such payments at the time of your appointment, please call our billing department at 303-280-2229, option 3 to make financial arrangements prior to your visit. We now offer **Simple Solutions**, an easy way to make automatic payments on your account through your credit card. You will find the paperwork for **Simple Solutions** enrollment in this packet.

Our physicians make every effort to maintain a time-efficient schedule however occasionally a patient will have more questions than expected and will require extra time. And you know babies- they come when they are ready, so your physician may get called out to a delivery. If the doctor is called away during your appointment time, we will do everything we can to accommodate your schedule. You may be able to see another physician if time permits. Please understand this is a people-business and schedule changes and interruptions are sometimes unavoidable.

The patient portal, accessed through our website, www.whg-pc.com, has options to request an appointment, and once you are established with us, request prescription refills and pay your bill. Our website also offers educational material, pictures, and biographies of our physicians, as well as many useful links. You can also find us on Facebook at www.facebook.com/thewomenshealthgroup. We have Facebook discussion topics planned for the upcoming months, so tune in! You can also stay informed about product recalls and office news through our Facebook page.

If you ever have a concern, a question, or a compliment, please feel free to contact our office. You can call us at our main phone number, 303-280-2229 or send an email to: info@whg-pc.com. Our Patient Experience Coordinator will research your request and respond to you promptly.

Thank you for choosing The Women's Health Group! We look forward to seeing you soon!

Sincerely,

The Physicians and Staff at The Women's Health Group
