

"Beliefs"

By anonymous

I Believe I believe- that we don't have to change friends if we understand that friends change. I believe- that no matter how good a friend is, they're going to hurt you every once in a while and you must forgive them for that. I believe- that true friendship continues to grow, even over the longest distance. Same goes for true love. I believe- that you can do something in an instant that will give you heartache for life. I believe- that it's taking me a long time to become the person I want to be. I believe- that you should always leave loved ones with loving words. It may be the last time you see them. I believe- that you can keep going long after you can't. I believe- that we are responsible for what we do, no matter how we feel. I believe- that either you control your attitude or it controls you. I believe- that regardless of how hot and steamy a relationship is at first, the passion fades and there had better be something else to take its place. I believe- that heroes are the people who do what has to be done when it needs to be done, regardless of the consequences. I believe- that money is a lousy way of keeping score. I believe- that my best friend and I can do anything or nothing and have the best time. I believe- that sometimes the people you expect to kick you when you're down, will be the ones to help you get back up. I believe- that sometimes when I'm angry I have the right to be angry, but that doesn't give me the right to be cruel. I believe- that just because someone doesn't love you the way you want them to doesn't mean they don't love you with all they have. I believe- that maturity has more to do with what types of experiences you've had and what you've learned from them and less to do with how many birthdays you've celebrated. I believe- that it isn't always enough to be forgiven by others. Sometimes you have to learn to forgive yourself. I believe- that no matter how bad your heart is broken the world doesn't stop for your grief. I believe- that our background and circumstances may have influenced who we are, but we are responsible for who we become. I believe- that just because two people argue, it doesn't mean they don't love each other.
