

About Patient Forms

By Dr. March

These forms are provided for your convenience. In order to maximize the amount of time you spend with the doctor, and keep your paperwork in the office to a minimum, simply print out these forms, fill them out completely, and bring them with you to your office visit. The receptionist will take them at your arrival to our office.

ALL PATIENTS MUST PRINT and FILL OUT THESE FORMS:

- 1. The "Patient Registration Form"**
- 2. The "Patient Medical History Form". This is for all new patients and also is updated each year at the annual gyn visit.**
- 3. The "Financial Policy" Form**
- 4. The "Permission to Discuss PHI Form"**

PREGNANT PATIENTS MUST FILL OUT:

- 1. The "Obstetrical Medical Assessment". This for patients who are just starting care with us for their a new pregnancy. A new form is needed for each new pregnancy.**
