

You have reached University Pediatric Associates—we are closed at this time.

If this is a life threatening emergency hang up now and dial 911.

If this is a Wednesday before 8pm or a Saturday before 12pm, our East Brunswick office is open at 732-238-3310.

If this is a Thursday evening before 8pm, our Highland Park office is open at 732-249-8999.

Please visit our website at www.univpediatricassociates.com for all information about the office. Included will be updates on office closures due to inclement weather or any unexpected emergency including problems reaching our service. The following instructions that you will hear next are there as well.

If you need to speak with someone now concerning an urgent medical problem you must listen to the following message in its entirety.

The doctors will receive after hours calls through our service weekdays until midnight.

They are on call 24 hours 7 days per week. However, after hours on weekends, holidays, and after midnight on weekdays, calls will be triaged by the nurses at the St. Peters Hospital Pediatric Call Center.

Emergency appointments may be made through their nurses for Sundays and Holidays.

There may be a \$10 billing charge for advice only calls unless this is an update on a current medical problem.

The phone number for all after hours calls is **732-296-1521**.
