

Corona Virus Update.

It is our hope that you and your loved ones remain healthy during these difficult times.

Pain Consultants of Atlanta is now offering telemedicine appointments to our existing patients, using your smart phone, tablet or laptop devices in order to support our patient's local quarantine, self-isolation, and social distancing measures.

Telehealth visits are billed to the insurance companies the same as in-office appointments and they will determine if the patient has an out of pocket balance and if applicable a bill may be sent to you later.

Pain Consultants of Atlanta will have a doctor in the office to see urgent problems if needed.

Schedule your telemedicine appointments today by contacting us at **404-351-7654**
