

DUKE UNIVERSITY MEDICAL CENTER  
 CURRICULUM VITAE  
 for  
 Permanent Record  
 and the  
 Appointments and Promotions Committee

Date Prepared: June 8, 2011

Name: David B. Goldston, Ph.D.

Primary Academic Appointment: Department of Psychiatry and Behavioral Sciences,  
 Division of Child and Adolescent Psychiatry and  
 Division of Medical Psychology

Present Academic Rank and Title: Associate Professor of Psychiatry & Behavioral Sciences  
 (with tenure)

Date and Rank of First Duke Faculty Appointment: May 1, 2003, Associate Professor

Licensure: North Carolina License #1497 (Psychology)

Date of Licensure: July 1, 1989

Date of Birth: March 20, 1958 Place: Thomasville, North Carolina

<b>Education:</b>	<u>Institution</u>	<u>Date</u>	<u>Degree</u>
High School	Lexington Senior High School	1976	Diploma
College	North Carolina State University	1980	B.A., Psychology
Graduate School	Wake Forest University	1982	M.A., Psychology
	University of Iowa	1988	Ph.D., Clinical and Developmental Psychology
Internship	University of California at Los Angeles School of Medicine	1988	Clinical Psychology (Child/ Adolescent Emphasis)
Postdoctoral	University of Pittsburgh School of Medicine	1989	

**Professional Training and Academic Career:**

<u>Institution</u>	<u>Position</u>	<u>Dates</u>
Wake Forest University School of Medicine Department of Psychiatry and Behavioral Medicine Winston-Salem, North Carolina	Instructor	1989-1990
Wake Forest University School of Medicine Department of Psychiatry and Behavioral Medicine Winston-Salem, North Carolina	Assistant Professor	1990-1996

Wake Forest University School of Medicine Department of Psychiatry and Behavioral Medicine Winston-Salem, North Carolina	Associate Professor	1996-2003
Wake Forest University School of Medicine Department of Psychiatry and Behavioral Medicine Winston-Salem, North Carolina	Adjunct Associate Professor	2003-present
Duke University School of Medicine Department of Psychiatry and Behavioral Sciences Durham, North Carolina	Associate Professor	2003-2008
Duke University School of Medicine Department of Psychiatry and Behavioral Sciences Durham, North Carolina	Associate Professor (with tenure)	2008-present
University of North Carolina at Chapel Hill Department of Psychiatry Chapel Hill, North Carolina	Adjunct Associate Professor	2009-present

Ries (Chairs), *Suicide and addictions*. Symposium at the meeting of the American Association of Addiction Psychiatry, San Juan, PR.
44. Goldston, D. (2005, April). *Suicide Update III. Adolescent suicidal behavior*. Paper presented at the meeting of the American Association of Suicidology, Broomfield, CO.
45. Kaminer, Y., Burleson, J., Goldston, D., & Haberek, R. (2005, June). *Suicidal ideation among adolescents with alcohol use disorders during treatment and aftercare*. Paper presented at the meeting of the College on Problems of Drug Dependence, Orlando, FL.
46. Goldston, D. (2005, September). Alcohol and substance use and suicidality among adolescents. In U. Preuss and V. Hesselbrock (Chairs), *Dying for a drink: Suicidal behavior in alcoholics*. Symposium presented at the meeting of the European Society for Biomedical Research on Alcoholism, Canterbury, UK.
47. Goldston, D. (2006, March). Alcohol and substance use and suicidality among adolescents. In C. Esposito-Smythers (Chair), *Integrated treatment for adolescent substance abuse and co-occurring psychiatric conditions*. Symposium presented at the meeting of the Joint Meeting of Adolescent Treatment Effectiveness, Baltimore, MD.
48. Goldston, D. (2006, April). Longitudinal-developmental research. In D. Dougherty (Chair), *Comparison of approaches to suicide research*. Symposium presented at the meeting of the American Association of Suicidology, Seattle, WA.
49. Goldston, D. (2006, April). Cultural issues in interventions for suicidal adolescents. In D. Goldston (Chair), *Culture and youth suicide interventions*. Symposium presented at the meeting of the American Association of Suicidology, Seattle, WA.
50. Goldston, D. (2006, September). Suicidal behavior and alcohol and substance abuse among adolescents: Implications for treatment. In M. Hesselbrock & U. Preuss (Chairs), *Suicidal behavior in alcoholism: A deadly liaison*. Symposium presented at the meeting of the International Society for Biomedical Research on Alcoholism, Sydney, Australia.
51. Goldston, D. (2007, April). Treatment for adolescent suicidality and implications for substance abusing teens. In G. Diamond, *Empirically supported treatment models for youth suicide*. Symposium presented at the Joint Meeting of Adolescent Treatment Effectiveness, Washington, DC.

52. Goldston, D. (2007, August). *Psychiatric profiles of suicidal youth*. Presented at Youth Suicide: New Knowledge for a New Generation. Meeting sponsored by the American Foundation for Suicide Prevention and University College Dublin, Royal College of Physicians, Dublin, Ireland.
53. Goldston, D. (2007, August). Cognitive behavior therapy – Relapse Prevention (CBT-RP) for suicidal, depressed, substance abusing youths. In C. King (Chair), *New intervention models for suicidal adolescents and college students*. Symposium presented at the meeting of the International Association for Suicide Prevention, Killarney, Ireland.
54. Mann, J., Beautrais, A., Khan, M., Goldston, D., Haas, A., & Clayton, P. (2007, August). *Youth suicide: New knowledge for a new generation*. Summary of workshop and roundtable discussion at the meeting of the International Association for Suicide Prevention, Killarney, Ireland.
55. Goldston, D. (2007, October). Suicidal teens who use substances: Lessons learned in developing interventions. In C. King (Chair), *Challenges in developing effective interventions for suicidal youth*. Symposium presented at the meeting of the American Academy of Child and Adolescent Psychiatry, Boston, MA.
56. Dew, R., Daniel, S., Goldston, D., & Koenig, H. (2007, October). *Religion, spirituality, and depression in adolescent psychiatric outpatients*. Paper presented at the meeting of American Academy of the Child and Adolescent Psychiatry, Boston, MA.
57. Goldston, D., Wells, K., Curry, J., & Kaminer, Y. (2008, August). Cognitive Behavior Therapy – Relapse Prevention for suicidal youths. In J. Sherrill and C. King (Chairs), *Refining interventions to improve engagement and outcomes among suicidal youth*. Symposium presented at the meeting of the American Psychological Association, Boston, MA.
58. Goldston, D., Daniel, S., & Erkanli, A. (2008, November). Suicide attempts among young people: Developmental trends and sensitization. In J. Petit (Chair), *Refining Understanding of the Relations between Stress and Suicidal Behaviors in Adolescence*. Symposium presented at the meeting of the Association for Behavioral and Cognitive Therapies, Orlando, FL.
59. Goldston, D., Esposito-Smythers, C., Curry, J., Wells, K., Spirito, A., & Kaminer, Y. (2009, October). Psychosocial treatment of suicidal adolescents with substance use disorders. In B. Goldstein (Chair), *Current perspectives on integrated psychosocial interventions for adolescents with comorbid mood-related and substance use disorders*. Symposium presented at the meeting of the American Academy of Child and Adolescent Psychiatry, Honolulu, HI.
60. Esposito-Smythers, C., Goldston, D., Wells, K., Spirito, A., Curry, J., & Kaminer, Y. (2009, November). An integrated approach to the treatment of adolescent alcohol/cannabis use disorders and suicidality. In S. Kahana and J. Sherrill (Chairs), *Strategies for integrating behavioral and/or pharmacological treatments for substance abuse and psychiatric comorbidities*. Symposium presented at the meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
61. Goldston, D., & Erkanli, A., (2010 June). Characterizing severity of suicidal thoughts and behavior from adolescence through young adulthood with a Bayesian growth mixture model. In K., Masyn (Chair), *Innovative methods for the evaluation of intervention effects in prevention studies*. Symposium presented at the meeting of the Society of Prevention Research, Denver, CO.
62. Goldston, D., Wells, K., Curry, J., Kaminer, Y., Daniel, S., & Ursano, A. (2010, August). Relapse prevention for suicidal adolescents with depression and substance abuse. In J. Asarnow (Chair), *Treatments for suicide and suicide attempt prevention in youths*. Symposium presented at the meeting of the American Psychological Association, San Diego, CA.

63. Goldston, D. (2010, November). Current research efforts in suicide prevention - Discussion. In M. Holloway and D. Cox (Chairs), *The road less traveled: Current research efforts in suicide prevention*. Symposium presented at the meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
64. Goldston, D., & McKeon, R. (2011, January). *Protocols and policies addressing the needs of youth and young adults who attempt suicide: Analysis and recommendations*. SAMHSA/CMHS Garrett Lee Smith Suicide Prevention Campus Grantee Conference. Bethesda, MD.
65. Goldston, D. & Rodi, M. (2011, February). *Cross-site evaluation findings*. SAMHSA/CMHS Garrett Lee Smith Suicide Prevention State and Tribal Grantee Conference. Baltimore, MD.
66. Goldston, D., Curry, J., Wells, K., Kaminer, Y., Daniel, S., Doyle, O., & Sapyta, J. (2011, April). *Cognitive behavior therapy - Relapse prevention for suicidal, depressed, substance abusing youth*. Paper presented at the meeting of the American Association of Suicidology, Portland, OR.
67. Goldston, D., Erkanli, A., Daniel, S., Weller, B., Heilbron, N., Doyle, O., & Sapyta, J., & Mayfield, A. (2011, April). *Developmental trajectories of suicidal thoughts and behavior from adolescence through young adulthood*. Paper presented at the meeting of the American Association of Suicidology, Portland, OR.

#### **Consultant Appointments:**

##### *NIH Review*

1996	Reviewer, NIMH Services Research Review Committee
2000	Reviewer, NIMH Special Emphasis Panel on Prevention Centers
2000-2002	Reviewer, NIMH Interventions Review Group
2003	Reviewer, NIDA B-START application
2004, 2008	Reviewer, NIMH Interventions Review Group (Conflicts)
2006	Reviewer, NIMH HOP SBIR Review Group
2007-present	Reviewer, NIMH Institutional Training Grants Review Group
2009	Reviewer, NIMH R13 Conferences and Scientific Meetings Review Group

##### *Federal Grant and IOM Consultation*

2001	Consultant, Institute of Medicine Committee on the Pathophysiology and Prevention of Suicide, Irvine, CA
2001-2004	Consultant, "Suicide Risk in Puerto Rican Adolescents," NIMH F31-MH12708 (Yovanka Duarte-Velez, PI)
2002-2003	Consultant regarding suicidal behavior, "Identification of Potential 'Best Practices' Models Using Selected Title V Block Grant National Performance Measures," Maternal and Child Health Bureau, HRSA (Priscilla Guild, PI)
2002-2005	Consultant, "Preventsuicide.info: An Internet Resource for Suicide Prevention," SBIR N44-MH22043 (Vincent Ho, PI)
2002-2007	Consultant, Member of Assessment Committee, and Ombudsman for the Duke site, "RUPP-PI: Treatment of Adolescent Suicide Attempters," NIMH U01-MH066775 (Karen Wells, PI)
2002-2007	Consultant, "Preventing Suicide, HIV, and Drug Abuse among Black Youth," NIMH K01-MH065499 (Sean Joe, PI)
2003-2007	Scientific Advisory Board, Treatment of Early Onset Schizophrenia Spectrum Disorders Study (Jeffrey Lieberman, PI)
2004-2005	Expert Advisory Panel, SAMHSA National Suicide Prevention Initiative
2004-present	Consultant, "National Violence Prevention Leadership and Practitioner Training Program," Centers for Disease Control, UNC Injury Prevention Center (Carol Runyan, PI)
2005	Consultant, "Sociocultural Processes in Latina Suicide Attempts," NIMH R01-70689 (Luis Zayas, PI)

- 2006-2008 Consultant (Program Reviewer), National Registry of Evidence-based Programs and Practices (NREPP) Review of Suicide Prevention Programs (SAMHSA/CMHS)
- 2006 Advisory board, “Virtual Collaboratory for Suicide Studies,” NIMH SBIR N43-MH63107. (J. Perpich, PI)
- 2007-2009 Consultant, “Elluam Tungiinum – Toward Wellness,” NCMHHD R24-MD001626 (J. Allen, PI)
- 2010-present Consultant, “Etiology of Suicidal Behavior during Adolescence and Emerging Adulthood,” CDC RO1-CE001882 (K. Conner, PI)

*Non-Federal Consultation*

- 2000-2001 Consultant, Stokes County (NC) Task Force on Suicide
- 2001 Consultant (review of instrument and manuals), “Child Suicide Risk Assessment,” Robert Larzelere, Ph.D., Boys Town, NE
- 2001 Consultant (regarding suicide assessment and methods), “Prevention des maladies sexuellement transmissibles dans le district de Sante de Nylon,” David La Framboise (in conjunction with Nylon Health District and Geneva University Public Health School), Cameroun, Africa
- 2002 Consultant (review of instrument and manuals), “KidsPeace Interview for Determining Suicidality,” Peter Langman, Ph.D., KidsPeace Intensive Services, Orefeld, PA
- 2006 Consultant (regarding suicide prevention efforts), Carlbrook School, Halifax, VA

*Editorial Board*

- 2004-present *Suicide and Life-Threatening Behavior*
- 2011-present *Journal of Clinical Child and Adolescent Psychology*

*Peer Reviewer*

- 1986-present Ad hoc Journal Reviewer:
- Addictive Behaviors*
  - Aging and Mental Health*
  - Alcoholism: Clinical and Experimental Research*
  - American Journal of Psychiatry*
  - American Journal of Public Health*
  - Archives of General Psychiatry*

*Psychiatry Research*  
*Psychological Assessment*  
*Social Psychiatry and Psychiatric Epidemiology*  
*Social Science and Medicine*

1988 Member of Editorial Board for D. Routh (Ed.), *Handbook of Pediatric Psychology* (Guilford Press)

1994-1999 Reviewer, William T. Grant Foundation

2000 Reviewer, United States-Israel Binational Science Foundation

2000 Reviewer, Cambridge University Press

2001 Reviewer, American Psychological Association Press

2001 Report Review Coordinator, Institute of Medicine (“Pathophysiology and Prevention of Adolescent and Adult Suicide Summary of Workshop on Risk Factors for Suicide”)

2002 Reviewer, PPP Foundation (London, England)

2004-present Scientific Advisory Council, American Foundation for Suicide Prevention

2008-present Research Grants Committee, American Foundation for Suicide Prevention

2010-2011 Guest Editor, with Thomas Ellis, “Special Series: Working with the suicidal client: Cognitive behavioral formulations and interventions,” *Cognitive and Behavioral Practice*

#### *Participation in Invited Panel Discussions and Workshops*

1995 Participant, Panel Discussion, "Research Infrastructure Support Program," Southern Association for Research in Psychiatry, New Orleans, LA

1996 Participant, Mental Health Services Research Conference for NIMH SWRDC and RISP Directors, Washington University, St. Louis, MO

1997 Participant, Panel Discussion, “NIMH Research Funding: Recent Success Stories.” American Association of Suicidology, Memphis, TN

1998 Participant, NIMH Workshop/Panel Discussion, “Suicidality in Youth: Developing the Knowledge Base for Youth at Risk,” Bethesda, MD

2000 Participant, SAMHSA/AAS/AFSP Workshop/Panel Discussion, “Outcomes of Suicidal Behaviors.” New York, NY

2001-2003 Participant, NIMH/NIDA/NINR/NICHD/SAMSHA Sponsored Consensus Conference on the Prevention of Suicide, Bethesda, MD

2004-2008 Participant, NIMH and University of Rochester Sponsored Summer Research Institute in Suicide Prevention, Rochester, NY

2005 Discussant, NIMH/VA/FDA/AFSP Workshop, Assessing Suicidality during Antidepressant Treatment, Bethesda, MD

2011 Participant, Panel Discussion, *Expert Panel: Working with At-Risk Youth* (2011). SAMHSA/CMHS Garrett Lee Smith Suicide Prevention State and Tribal Grantee Conference. Baltimore, MD.

2011 Participant, SAMHSA Workshop/Panel Discussion, *Garrett Lee Smith Suicide Prevention State and Tribal Grantee Conference Post-Meeting Sessions to Discuss Youth at Risk for Suicide* (2011). Baltimore, MD.

**Professional Awards and Special Recognitions:**

1984                      Sigma Xi  
 1991-1996                William T. Grant Foundation Faculty Scholar Award

**Organizations and Participation:**

North Carolina Psychological Association  
 American Psychological Association, Division 53  
 Association for Behavioral and Cognitive Therapy  
 American Association for Suicidology  
 American Foundation for Suicide Prevention (Scientific Advisory Council, Research Review Committee)  
 Triangle Consortium on Suicide Prevention (Organizer, 2006-2008)  
 Southeastern Consortium for the Study and Prevention of Suicide (Director)

**Teaching Responsibilities including Continuing Education:***Faculty Mentoring*

<u>Dates</u>	<u>Name</u>	<u>Institution</u>	<u>Role</u>	<u>Status</u>
1999-2006	Stephanie Daniel, Ph.D.	University of North Carolina at Greensboro	Sponsor and Mentor for NIMH K23	NIMH K23 Awardee 2001-2006, Co-PI for NIMH R01 with DG, Co-I for NICHD Program Project with DG, Co-I NICHD R21 and Co-PI for NICHD R01
2000-2003	Gretchen Brenes, Ph.D.	Wake Forest University	Co-mentor during preparation of K23	NIMH K23 Awardee, 2004-2008, Recipient of Minority Clinical Research Scholar Supplement (M01), PI for NIMH R01
2001-2004	Elizabeth Arnold, Ph.D.	Wake Forest University	Sponsor and mentor for K01 until I moved to Duke, off-site mentor until Summer 2004	NIDA K01 Awardee 2003-2008
2001-2004	David Mandell, Ph.D.	University of Pennsylvania	Mentor for non-funded AFSP application	NIMH K01 Awardee 2005-2010
2001-2004	Wayne Denton, Ph.D., M.D.	University of Texas Southwestern	Sponsor and Mentor for K23 until he left Wake Forest	NIMH K23 Awardee 2003-2008, Left Wake Forest to assume endowed chair position at University of Texas Southwestern
2004-2006	Sean Joe, Ph.D.	University of Michigan	Consultant for K01 and R01	NIMH K01 Awardee 2002-2007
2004-2007	Scott Compton, Ph.D.	Duke University	Co-mentor during preparation of K23	NIMH K23 Awardee 2007-2012
2004-2007	Gregory Washington, Ph.D.	University of Tennessee – Knoxville	Mentor during University of Rochester Summer Research	NIMH K01 application effort disbanded due to job responsibilities

			Institute and thereafter	
2004-2011	Alfiee Breland-Noble, Ph.D.	Duke University	Consultant for K01	NIMH Diversity Supplement 2005-2006, NIMH K01 Awardee 2006-2011
2005-2007	Jeremy Pettit, Ph.D.	University of Houston	Mentor during University of Rochester Summer Research Institute and thereafter	NIMH R21 application submitted but not funded
2005-2007	Brandon Gibb, Ph.D.	Binghamton University (SUNY)	Mentor during University of Rochester Summer Research Institute and thereafter	NIMH R03 Awardee, NIMH R01 recipient
2005-2007	Vincent Silenzio, M.D.	University of Rochester	Mentor during preparation of K23 application	NIMH T32 Postdoctoral Training Award, NIMH K23 2009-2013
2005-2008	Marjan Holloway, Ph.D.	Uniform Services University	Mentor during University of Rochester Summer Research Institute and thereafter	NARSAD Young Investigator Award, recipient of several DOD contracts and R01 projects (the most of recent with DG as collaborator)
2005-2008	Yifrah Kaminer, M.D.	University of Connecticut	Consultant for K24	NIMH K24 Awardee 2002-2008, PI on numerous NIDA and NIAAA projects
2005-2009	Jill Compton, Ph.D.	Duke University	Mentor and consultant during preparation of first NIMH R34 award; collaborator on NIMH single source contract	NIMH R34 Awardee, NIMH Single Source Contract Awardee, Recipient of Foundation grant, Collaborator with DG on R01 project
2005-2009	Matthew Wintersteen, Ph.D.	University of Pennsylvania / Thomas Jefferson University / Jefferson Medical College	Mentor during Summer Research Institute and thereafter	AFSP Pilot Grant Awardee, NARSAD Young Investigator Awardee, CDC K01 submitted but not funded
2006	Lisa Wexler, Ph.D.	University of Massachusetts	Mentor during University of Rochester	SAMSHA Garrett Lee Smith Suicide Prevention Grant Awardee/Collaborator

			Summer Research Institute and thereafter	
2006, 2010	Peter Britton, Ph.D.	University of Rochester	Mentor during University of Rochester Summer Research Institute, and periodic consultant thereafter	V.A. Career Development Award application in preparation
2006-2010	Douglas Kondo, M.D.	Duke University, University of Utah	Consultant during preparation of K01	NIMH K01 application in preparation
2007	Scott Kollins, Ph.D.	Duke University	Consultant during preparation of K24 application	NIMH K24 Awardee 2008-2013, PI on numerous NIMH and NIDA funded projects
2007-present	Mary Cwik, Ph.D.	Johns Hopkins University	Mentor during University of Rochester Summer Research Institute and thereafter	NIMH R34 applicant

2008	Himi Ravi, M.D.	Duke University	Mentor regarding development of research program	Investigator for Industry-sponsored clinical trial
2008-2010	Torrey Creek, Ph.D.	University of Pennsylvania	Mentor during University of Rochester Summer Research Institute and thereafter	NIMH K23 in preparation
2008-present	Jeffrey Sapyta, Ph.D.	Duke University	Mentor as junior faculty	Collaborator with DG on R34 and R01, SBIR Awardee, Co-PI on NIMH R01
2008-present	Miranda van Tilburg, Ph.D.	University of North Carolina – Chapel Hill	Mentor as junior faculty	Recipient of pilot grant from UNC-CH Center for Functional GI and Motility Disorders
2009	Desiree Murray, Ph.D.	Duke University	Consultant during preparation of R34 application	DOE grant (equivalent of R01)
2009-present	Otima Doyle, Ph.D.	Duke University	Mentor during postdoctoral fellowship and as junior faculty	Recipient of NIMH Diversity Supplement Award

*Postdoctoral Fellows*

<u>Dates</u>	<u>Name</u>	<u>Role</u>	<u>Status</u>
2005-2008	Rachel Dew, M.D.	Mentor during T32	Assistant Professor, Duke
2006	Joyce Young, Ph.D.	Consultant during preparation of diversity supplement application	
2008-2011	Nicole Heilbron, Ph.D.	Co-mentor for two-year AFSP postdoctoral fellowship, Mentor for postdoctoral fellowship at Duke	Assistant Professor, Duke (as of July 1, 2011)
2009-2010	Otima Doyle, Ph.D.	Mentor during T32	Assistant Professor, Duke
2009-present	Bridget Weller, Ph.D.	Mentor	Current Postdoctoral Fellow (rank of Instructor), Project Manager for NIMH R01

*Predocctoral Research Mentoring*

<u>Dates</u>	<u>Name</u>	<u>Institution</u>	<u>Role</u>
2000-2001	Stephanie Walsh	Virginia Polytechnic Institute and State University	Member of doctoral committee
2000-2003	Michael Smith	Wake Forest University School of Medicine	Member of doctoral committee

2001-2004	Yovanska Duarte	Universidad de Puerto Rico	Consultant during NIMH F31 Award
2005-2007	Melissa Walls	University of Nebraska	Consultant during NIMH F31 Award
2006-2007	Crystal Barksdale	Duke University	Research mentor during clinical psychology internship program

*University of Rochester Summer Research Institute on Suicide Prevention (2003-2008)*

The University of Rochester Summer Research Institute on Suicide Prevention was a competitive week-long intensive training program in research methods for individuals interested in suicide-related research. Mentees could participate for one or two years.

Role: Faculty Member

Source of Support: NIMH R25-MH68564 (Eric Caine, M.D., PI)

Total Mentees: 30 (12 faculty, 10 postdoctoral, 7 predoctoral, 1 other)

*Other Supervision and Mentoring Responsibilities*

2003-present	External Faculty Member, University of Rochester, "Postdoctoral Training in Suicide Prevention Research," NIMH T32-MH020061 (Yeates Conwell, PI)
2004-2005	Participant, Division of Child Psychiatry Evidence Based Medicine Seminar and Co-leader (with John March, M.D.), Career Development Seminar for K-Awardees and Applicants.
2004-present	Guest lecturer, UNC Injury Prevention Center
2005-present	Faculty member, Duke University Child Clinical Psychology Internship program
2006-2010	Faculty Member, PREMIER T32 postdoctoral training program, Duke University School of Medicine
2007-present	Co-Director (with Chris Mauro, Rebecca Dingfelder) of the Psychosocial Treatment Clinic (PTC) and clinical supervisor of graduate students, psychology interns, and child psychiatry fellows rotating through the PTC
2007-2008	Leader (with Scott Kollins), Research development seminar for postdoctoral fellows, Duke Child and Family Study Center
2009	Visiting Mentor and Speaker, Emerging Scholar's Interdisciplinary Network (for junior investigators from groups underrepresented in science), University of Michigan
2009-2010	Visiting Mentor and Speaker, China Collaborative Suicide Research Training Program, Beijing, China (a collaboration between the University of Rochester, the Institute of Mental Health of Peking University, and the Beijing Suicide Research and Prevention Center)

*Continuing Education Presentations*

1. Goldston, D. (1989, October). A fresh approach to diagnosis. In: R. Brunstetter (Chair), Psychiatric diagnosis and treatment in adolescence. A Public Forum sponsored by the Department of Psychiatry and Behavioral Medicine, Wake Forest University School of Medicine, Winston-Salem, NC.
2. Goldston, D. (with R Brunstetter). (1990, March). Child and adolescent depression. In: Children at risk: Understanding the child of the 90's. A workshop sponsored by Charter Hospital of Winston-Salem, NC.
3. Goldston, D. (1991, February). Adolescent suicidal behavior. Grand Rounds, Department of Psychiatry and Behavioral Medicine, Wake Forest University School of Medicine, Winston-Salem, NC.
4. Goldston, D., & Brunstetter, R. (1991, May). Adolescent suicidal behavior. Grand Rounds, Department of Pediatrics, Wake Forest University School of Medicine, Winston-Salem, NC.
5. Brunstetter, R., & Goldston, D. (1992, April). Subtypes and longitudinal study of conduct disorders. Grand Rounds, Department of Psychiatry and Behavioral Medicine. Wake Forest University School Medicine, Winston-

Salem, NC.

6. *Goldston, D.* (1993, February). Suicidal behavior in children and adolescents. Developmental Psychology Colloquium Series, North Carolina State University, Raleigh, NC.
7. *Goldston, D.* (with K. Hoover and J. Smith). (1994, October). Fed up with fighting with your kids! Raising children without raising voices. A Public Forum sponsored by the Department of Psychiatry and Behavioral Medicine, Wake Forest University School of Medicine, Winston-Salem, NC.
8. *Goldston, D.* (1996, June). Recent studies of adolescent suicidal behavior. Grand Rounds, Department of Psychiatry and Behavioral Medicine. Wake Forest University School of Medicine, Winston-Salem, NC.
9. *Goldston, D.* (1998). Fears and phobias. Presentation for Action Health, Lunch and Learn Series, Wake Forest University School of Medicine, Winston-Salem, NC.
10. *Goldston, D.* (1998). Depression in children. Presentation for Action Health, Lunch and Learn Series, Wake Forest University School of Medicine, Winston-Salem, NC.
11. *Goldston, D.* (2000, March). Teenage suicide. Presentation for Best Health, Wake Forest University Baptist Medical Center, Winston-Salem, NC.
12. *Goldston, D.* (2002, February). David Gallagher Memorial Lecture – Suicidal behavior among formerly psychiatrically hospitalized adolescents: Recent findings from a naturalistic prospective study. Grand Rounds, Division of child and Adolescent Psychiatry, Schneider Children's Hospital, Long Island Jewish Health System, New Hyde Park (Long Island), NY.
13. *Goldston, D.* (2002, March). Adolescents who make multiple suicide attempts. Grand Rounds, Department of Psychiatry and Behavioral Medicine, Wake Forest University School of Medicine, Winston-Salem, NC.
14. *Goldston, D.* (2002, September). Adolescent suicidal behavior. M-RISP Presentation, Department of Psychology, University of Puerto Rico, San Juan, PR.
15. *Goldston, D.* (2003, April). The Annual David Gallagher Memorial Lecture on Depression on Suicide Prevention - A naturalistic prospective study of adolescents at risk for suicidal behavior. Grand Rounds, New York University Child Study Institute, New York, NY.
16. *Goldston, D.* (2003, August). Adolescent suicidal behavior. Presentation for Orange County (NC) School Counselors. Hillsborough, NC.
17. *Goldston, D.* (2003, November). Young People thinking of suicide – And some doing it. In L. Lipsett (Chair), Behavioral misadventures: A symposium about the phenomena that harm more young people than all diseases combined. Lipsett-Duchin Annual Lecture Program, Brown Medical School, Providence, RI.
18. *Goldston, D.* (2004, June). Suicidal behavior and substance use disorders in adolescents. Presentation to the Addictive Behaviors Research Center, University of Washington, Seattle, WA.
19. *Goldston, D.* (2004, September). Adolescent suicidal behavior. Presentation for Duke University School of Medicine Primary Care Providers, Durham, NC.
20. *Goldston, D.* (2004, October). Suicidal behavior in adolescents: Prevalence, risk factors, prevention, and treatment. Presentation for the public, sponsored by Deaconess Pointe. Evansville, IN.
21. *Goldston, D.* (2004, October). Suicidal behavior in adolescents: Prevalence, risk factors, prevention, and

- treatment. Presentation for mental health professionals, sponsored by Deaconess Pointe. Evansville, IN.
22. Goldston, D. (2004, October). Suicidal behavior in adolescents: Prevalence, risk factors, prevention, and treatment. Presentation for the public, sponsored by Deaconess Pointe. Owensboro, KY.
23. Goldston, D. (2004, October). Suicidal behavior in adolescents: Prevalence, risk factors, prevention, and treatment. Presentation for mental health providers, sponsored by Deaconess Pointe. Owensboro, KY.
24. Goldston, D. (2004, November). Suicidal behavior in adolescents. Presentation for Holly Hills Psychiatric Hospital, Raleigh, NC.
25. Goldston, D. (2005, January). *Cultural Considerations in the Treatment and Prevention of Suicidal Behavior in Adolescents* (a symposium). Duke University, Durham, NC.
26. Goldston, D. (2005, February). Suicidal behavior in adolescents. Presentation for the Durham County School Social Workers and guidance Counselors. Durham, NC.
27. Goldston, D. (2005, March). Suicidal behavior in adolescents. Presentation for the North Carolina Mental Health Association sponsored, NC State Suicide Prevention Conference.
28. Goldston, D. (2005, March). Cognitive behavioral therapy (CBT-RP) for suicidal, depressed, and substance abusing adolescents. Presentation for Center on Alcohol and Addictions Studies, Brown University, Providence, RI.
29. Goldston, D. (2005, April). The association between substance use and other psychiatric problems in adolescents, and implications for prevention and treatment. Presentation for the Durham Health Summit, Durham, NC.
30. Goldston, D. (2006, May). Adolescent suicidal behavior. Presentation to staff of Holly Hill Hospital, Raleigh N.C.
31. Goldston, D. & Curry, J. (2006, October). Depression, substance use and self cutting in adolescents. Presentation to Orange County, NC school social workers, Hillsborough, NC.
32. Goldston, D. (2006, December). Depression, substance use, and self-cutting in adolescents. Presentation to Durham County, NC school guidance counselors, social workers and Exceptional Children's staff Durham NC.
33. Goldston, D. (2007, May). Adolescent suicidal behaviors: A research update. Grand Rounds, Department of Psychiatry and Behavioral Medicine, Wake Forest University School of Medicine, Winston-Salem, NC.
34. Goldston, D. (2007, May). Discussion, Reducing mental health disparities for Black youth through clinical research (a presentation by Sean Joe). Community presentation sponsored by the Duke Child and Family Study Center, Durham, NC.
35. Goldston, D. (2007, October). Suicide prevention. Discussion on WCOM-FM, Counselor's Café program, Carrboro, NC.

#### **Areas of Research Interest:**

Risk and course of suicidal behaviors over the lifespan  
 Treatment and prevention interventions for suicidal behaviors  
 Neurobiological mechanisms associated with risk or pathways to suicidal behavior  
 Familial transmission of risk for suicidal behaviors  
 Impact of suicidal behaviors on family members  
 Pediatric affective disorders  
 Longitudinal methods  
 Intervention development methods

#### **External support:**

##### *Past Support*

##### As Principal Investigator or Co-Principal Investigator

No Grant Number	Goldston (PI)	1990-1991
United Way/BGSM Venture Grant		Direct Costs: \$6,000
Psychiatric Characteristics of Adolescents at High Risk for Suicidal Attempts		
This grant provided funds for a pilot follow-up study of youths following psychiatric hospitalization and their risk for suicidal behavior.		
Role: PI		

- No Grant Number (Faculty Scholar Award) Goldston (PI) 07/01/1991-06/30/1996  
 William T. Grant Foundation Direct Costs: \$162,790  
 Cognitive and Psychiatric Characteristics of Adolescents at High Risk for Suicidal Attempts: A Longitudinal Study.  
 This Faculty Scholar Award to Dr. Goldston provided funds for establishing a program of research in suicidal behaviors, and initiating a longitudinal, repeated assessments study of youths at high risk for suicidal behavior.  
 Role: PI (Faculty Scholar)
- R24-MH51552 (substudy) Goldston (PI) 1993-1996  
 NIMH Direct Costs: \$44,032  
 Suicidal Ideation and Behavior among Diabetic Adolescents.  
 This funding supported a study of the relationship between suicidal ideation and behavior, noncompliance with the medical regimen, and psychiatric disorders among adolescents with IDDM.  
 Role: PI of substudy (Burton Reifler, PI of RISP Award)
- R29-MH48762 Goldston (PI) 05/01/1993-04/30/1998  
 NIMH Direct Costs: \$350,000  
 This FIRST Award funded a prospective naturalistic repeated assessments study of adolescents following psychiatric hospitalization and at risk for suicidal behavior. This study was initiated (with a smaller sample size) with the William T. Grant Foundation Faculty Scholar Award described above.  
 Role: PI
- No Grant Number Goldston (PI) 07/01/1995-06/30/1996  
 William T. Grant Foundation Direct Costs: \$13,953  
 Cognitive and Psychiatric Characteristics of Adolescents at High Risk for Suicidal Attempts: A Longitudinal Study (Supplemental Award).  
 This award provided supplemental funds for the Faculty Scholar Award to Dr. Goldston and associated program of research described above.  
 Role: PI
- No Grant Number Goldston (PI) 07/01/1996-06/30/1997  
 William T. Grant Foundation Direct Costs: \$12,000  
 Cognitive and Psychiatric Characteristics of Adolescents at High Risk for Suicidal Attempts: A Longitudinal Study (Supplemental Award).  
 This award provided supplemental funds for the Faculty Scholar Award to Dr. Goldston and associated program of research described above.  
 Role: PI
- R24-MH51552 Reifler (PI) 09/30/93-08/31/00 (with no-cost extension)  
 NIMH Direct Costs: \$1,500,000 (\$900,000 from 1996-2000)  
 Psychiatric Problems in General Health Settings (Research Infrastructure Support Program)  
 The RISP funding was awarded to improve the research infrastructure in the Department of Psychiatry and Behavioral Medicine at Wake Forest University School of Medicine.  
 Role: Co-PI from 1996-2000
- R03-MH54818 Goldston (PI) 04/01/96-03/31/99 (with no-cost extension)  
 NIMH Direct Costs: \$99,772  
 A Longitudinal Study of Aftercare Use Among Adolescents  
 This study was a naturalistic prospective study of treatment utilization following discharge from an inpatient psychiatric facility. This small grant funded project was an "add-on" to a longitudinal study of suicidal behaviors.  
 Role: PI

- 263-MD-909995 Goldston (PI) 06/01/99-10/31/99  
 NIMH Direct Costs: \$5,000  
 Assessment of Suicidal Behaviors and Risk among Children and Adolescents  
 This single source contract was awarded for critically reviewing the instruments used for assessing suicidal behaviors and suicide risk among children and adolescents. The review updated a commissioned review on the same topic written one decade ago by Peter Lewinsohn, Ph.D.  
 Role: PI
- R34-MH67904 Goldston (PI) 4/1/2005-5/31/2010 (no cost extension)  
 NIMH Direct Costs: \$418,500  
 Relapse Prevention for Suicidal Dually Diagnosed Youths  
 A cognitive behavioral relapse prevention intervention (CBT-RP) for suicidal dually diagnosed (depressed and substance abusing/dependent) adolescents was developed, refined, and compared in a pilot randomized controlled trial to enhanced supportive clinical care.  
 Role: PI
- R01-MH48762 Goldston (PI) 8/1/1998-1/31/2011 (no cost extension)  
 NIMH Direct Costs: \$1,342,198  
 A Longitudinal Study of Suicide Attempts in Adolescents  
 This was an ongoing prospective naturalistic repeated assessment study of risk for suicidal behaviors among 180 adolescents following discharge from an inpatient psychiatric facility. The study was initiated with funding from a NIMH First Award from 1993-1998 and a William T. Grant Foundation Faculty Scholar Award from 1991-1996.  
 Role: P.I.
- As a Participating Investigator
- R24-MH51552 (Substudy) Smith (PI) 1993-1995  
 NIMH Direct Costs: \$34,328  
 Prevalence and Detection of Psychological and Behavioral Risk in Hospitalized Adolescents.  
 This funding supported a study of the prevalence and detection of high-risk behaviors in pediatric and psychiatric hospitalized adolescents.  
 Role: Co-Investigator (Burton Reifler, PI of the RISP Award)
- No Grant Number Naughton (PI) 1994-1995  
 United Way/BGSM Venture Grant Direct Costs: \$5,875  
 The Association Between Behavioral and Psychological Risk Factors in College Freshman  
 This grant provided funds for a study of high-risk behaviors among college students at one private and two public universities (one of which has predominately African-American enrollment).  
 Role: Co-Investigator
- R24-MH51552 (Substudy) Daniel (PI) 1997-1999  
 NIMH Direct Costs: \$50,000  
 A Comparative Study of Cognitive-Behavioral Therapy, Pharmacotherapy, and Combined Cognitive-Behavioral Therapy and Pharmacotherapy for Depressed Adolescents with Recent Suicide Attempts. Prevalence and Detection of Psychological and Behavioral Risk in Hospitalized Adolescents.  
 This funding supported efforts to develop and pilot test treatment manuals for a study of cognitive-behavioral and pharmacotherapy for depressed, suicidal adolescents  
 Role: Co-Investigator (Burton Reifler, PI of the RISP Award)
- P01-HD21887 Wood (PI) 1/1/1999-11/30/2004  
 NICHD Direct Costs: \$4,439,960 (Project III:

\$813,638)

Genotypic and Phenotypic Heterogeneity in Dyslexia. Project III. Psychiatric and Behavioral Outcomes  
This program project was designed to examine family and genetic factors, brain functioning, and behavioral and psychiatric outcomes associated with subtypes of dyslexia. Project III was a longitudinal naturalistic repeated assessment study of behavioral and psychiatric outcomes (including suicidal behavior) of 188 adolescents with and without reading disabilities.

Role: P.I. for Project III, Co-PI for Program Project

RO1-MH068126  
NIMH

McKeown (PI) 9/25/2002-8/31/2007  
Direct Costs \$1,067,683

Exploring Diabetes and Depression in Youth (EDDY)

This was an ancillary study to SEARCH for diabetes in Youth, A CDC-and NIDDK funded, multisite Epidemiologic project. The study examined the associations between depression and both type I and type II diabetes in youths from three ethnic/racial groups.

Role: Consultant/Co-Investigator

RO1-HD043794  
NICHD

Wood (PI) 9/25/2002-8/31/2007  
Direct Costs: \$2,175,048

Young Adult Literacy Problems: Prevalence and Treatment

This research examined the prevalence of poor reading skills in young adults and compared treatment programs for reading remediation (and the effects of these interventions on psychological well-being).

Role: Consultant/Co-Investigator through 8/31/2006

*Active/Current Support*

As a Principal Investigator or Co-Principal Investigator

K24-MH066252  
NIMH

Goldston (PI) 4/1/2003-3/31/2013  
Direct Costs: \$695,373

Mid-Career Investigator Award: Suicidal Behaviors

With this mid-career award, Dr. Goldston is continuing his program of research in suicidal behaviors and mentoring of junior faculty members, and developing his expertise in the areas of treatment development and clinical trials, relapse prevention, and treatment with substance abusing and dually diagnosed adolescents.

Role: P.I.

R01-MH081947  
NIMH

Goldston (PI) 2/1/2009-1/31/2013  
Direct Costs: \$1,594,150

Impact of Adolescent Suicide Attempts on Parents

This is a longitudinal study examining reactions and mental health needs of mothers of adolescents who have made suicide attempts, as compared with mothers of other hospitalized adolescents.

Role: PI

R01-MH081947-S1  
NIMH

Goldston (PI) 2/1/2010-1/31/2013  
Direct Costs: \$12,437

Impact on Adolescent Suicide Attempts on Parents (Administrative Supplement)

This administrative supplement supports a pilot study of the reactions and mental health needs of fathers of adolescents who have made suicide attempts.

Role: PI

RO1-MH0811947-S2  
NIMH

Goldston (PI) 2/1/2010-1/31/2013  
Direct Costs: 197,622

Impact of Adolescent Suicide Attempts on Parents (Diversity Supplement)

This diversity supplements supports the career development of Dr. Otima Doyle and a study to examine racial and

ethnic differences in mothers' reactions to suicide attempts and their treatment needs.

Role: PI

As a Participating Investigator

Contract 280-03-1606

Walrath/ICF Macro (PI) 10/1/2005-9/30/2012

SAMHSA/CMHS

The Garratt Lee Smith Memorial Suicide Prevention Cross-Site Evaluation

With this contract from SAMHSA, a cross-site evaluation is being conducted of the state, tribal, and campus suicide prevention programs funded via the Garratt Lee Smith Memorial Act.

Role: Evaluation Team Member

Contract 280-03-1606

Holloway (PI)

2/1/2011-1/31/2016

DOD

Post Admission Cognitive Therapy (PACT) for Treatment of Military Personnel with Suicidal Behaviors:

A Multi-Site Randomized Trial

This is a randomized controlled trial of an augmenting intensive cognitive behavioral intervention and follow-up care for military personnel who have been hospitalized following suicide attempts.

Role: On-site Principal Investigator

Personal Information

Preferred familiar name: David Goldston

Local home address: 1311 Pulpit Hill Road  
Chapel Hill, NC 27516

Home phone number: 919-968-8531

Marital status: Single
