

**SHAWN M. MCCLINTOCK, Ph.D., M.S.C.S.
CURRICULUM VITAE**

Date of Preparation: 01/07/2014

Personal Data

Name: Shawn M. McClintock, PhD, MSCS
Birth Place: Houston, Texas
Citizenship: USA

Academic Training

1994 – 1998	University of North Texas, B.A. – Psychology (Pre-Medicine), Cum Laude
1999 – 2005	University of Texas Southwestern Medical Center, School of Biomedical Sciences, M.S. – Rehabilitation Counseling Psychology
2002 – 2006	University of Texas Southwestern Medical Center, School of Biomedical Sciences, Ph.D. – Clinical Psychology (American Psychological Association accredited)
2006 – 2008	University of Texas Southwestern Medical Center, Postdoctoral Research Fellowship (NIMH T32)
2007 – 2008	Columbia University, Postdoctoral Research Fellowship
2008 – 2011	University of Texas Southwestern Medical Center, School of Biomedical Sciences – M.S. – Clinical Sciences, with Distinction (NIH/NCRR KL2)

Licensure

2012	Texas State Psychologist License (#36143)
2012	National Register of Health Service Psychologists (#53656)
2013	North Carolina State License (#4455)

2013 North Carolina State Certification as a Health Services Provider Psychologist (HSP-P)

Board Certification

2011 Eligible for American Board of Professional Psychology Diplomate in Clinical Neuropsychology

Graduate Research Experience

1998 **Undergraduate Research Fellowship**
Department of Psychology
University of North Texas
Mentor: Michael J. Mahoney, Ph.D.

2000-2005 **Thesis Research**
Department of Rehabilitation Counseling Psychology
University of Texas Southwestern Medical Center
Mentor: Cheryl H. Silver, Ph.D.

- Title: Children with Internalizing Behavior Disorders and the Effects on Intelligence and Executive Function.
- Created database, literature review; statistical analysis using SPSS; participated in group feedback sessions.

2004-2006 **Dissertation Research**
Neurostimulation Laboratory, Neuropsychology Laboratory,
Department of Psychiatry
University of Texas Southwestern Medical Center
Mentor: C. Munro Cullum, Ph.D., ABPP

- Title: Neurocognitive Functioning in Severe Depression.
- Examined the relationship between major depressive disorder variables and neuropsychological functioning.

2004-2006 **Research Apprenticeship**
Neurostimulation Laboratory, Department of Psychiatry
University of Texas Southwestern Medical Center
Mentor: Mustafa M. Husain, M.D.

- Supervised and trained research assistants.

- Assisted with professional writing including grant writing, book chapters, journal articles, and poster abstracts.
- Data entry and statistical analysis with SPSS.
- Collaborated with treatment team in weekly research meetings.

Clinical Psychology and Neuropsychology Doctoral Training

American Psychological Association Approved Internship: UT Southwestern Medical Center Clinical Psychology Program

2004-2005 **Parkland Memorial Hospital**
Amelia Court Outpatient HIV/AIDS Clinic
Supervisors: Kathy Tipps, Ph.D., Steven Krebaum, Ph.D.,
Kathy Saine, Ph.D., & Richard Robinson, Ph.D.

- Neuropsychological assessment and personality assessment, including projectives; psychological evaluation; crisis intervention; brief and longer term individual psychotherapy; group psychotherapy.
- Population included outpatients with HIV/AIDS and a variety of other medical illnesses with comorbid acute and chronic psychiatric diagnoses.

2005-2006 **Jewish Family Service**
Supervisors: Joan Berger, Ph.D., Lynda Newman, Ph.D., &
Monty Evans, Ph.D.

- Psychological evaluation; neuropsychological and personality assessment, including projectives; crisis intervention; individual, family, and group psychotherapy.
- Population included outpatient children, adolescents, adults, and geriatrics with psychiatric pathology.

CLINICAL PRACTICA

2001 **University Rehabilitation Service**
University of Texas Southwestern Medical Center
Developmental Neuropsychology Clinic
Supervisor: Cheryl H. Silver, Ph.D.

- Neuropsychological evaluation and personality assessment; consultation to family and school personnel;

developed academic recommendations and psychological treatment plans.

- Population included outpatient children and adolescents ages 5-17 with learning disabilities and psychiatric comorbidities.

2000-2001

Parkland Memorial Hospital

Psychiatric Inpatient Unit and Chronic Pain Program

Supervisors: Robert Lovitt, Ph.D., & Cindy Claassen, Ph.D.

- Psychological evaluation and personality assessment; chronic pain evaluations; brief cognitive-behavioral therapy; behavioral modification and pain management; biofeedback; adjustment to injury; psychoeducational and process groups; case conferences; consultation to family and multidisciplinary treatment team.
- Populations included psychiatric inpatients and outpatients, with chronic pain conditions.

2003

Terrell State Hospital

Child and Adolescent Psychiatric Unit

Supervisors: William Freeman, Ph.D., & John Kennedy, Ph.D.

- Comprehensive psychological and personality assessment including projectives; play therapy; group psychotherapy; brief cognitive-behavioral psychotherapy; social-skills training; anger management; consultation to family and multidisciplinary treatment team.
- Population included inpatient children and adolescents ages 6-16 with chronic psychiatric and personality pathology.

2003-2004

Baylor Institute of Rehabilitation

Clinical Neuropsychology Department

Supervisors: Stephen Chock, Ph.D., & Alan Frol, Ph.D.

- Comprehensive neuropsychological assessment; traumatic brain injury orientation group, brief cognitive-behavioral therapy; cognitive-behavioral group psychotherapy; consultation to family and multidisciplinary treatment team; case conference.
- Population included inpatients with traumatic brain injury, stroke, and outpatients with mild cognitive impairment and comorbid psychiatric pathology.

OTHER CLINICAL EXPERIENCE

- 2000-2001 **University Rehabilitation Service Counseling Center**
University of Texas Southwestern Medical Center
Supervisors: Cindy Claassen, Ph.D., & Donald Pool, Ph.D.
- Long-term individual psychotherapy with adult patients demonstrating broad range of comorbid psychiatric and medical diagnoses.
- 2003-2006 **University of Texas Southwestern Adult Psychotherapy Service**
Supervisors: William L. Edwards, Ph.D., Alexandra Doyle, Ph.D., Gayle Marshall, LMSW, & Monty Evans, Ph.D.
- Long-term individual psychotherapy with adults with major affective disorders and personality disorders.
 - Included one year of cognitive behavioral supervision and two year of psychodynamic psychotherapy supervision.
 - Case load included two patients treated once weekly for three years.
- 2003-2005 **Parkland Memorial Hospital Psychiatric Emergency Room**
- Emergency intake evaluations, crisis interventions with patients and families; disposition planning for full range of psychiatric and behavioral problems; consulted with medical staff.
 - Coordinated treatment plan with residential treatment centers, social services agencies, and law enforcement regarding patient care.
 - Worked bi-monthly 5 hour shifts from May, 2003 to April, 2005.
- 2004-2006 **University of Texas Southwestern Group Psychotherapy Service**
Supervisor: Dale Godby, Ph.D., ABPP
- Long-term group psychotherapy with adults with personality disorders and major affective disorders.
 - Included two years of group psychodynamic psychotherapy supervision.
 - Case load included one group with eight patients treated once weekly for two years.

Professional Organizations and Societies

2006 – 2008	Member, National Postdoctoral Association
2006 – present	Member, Society for the Psychology of Aesthetics, Creativity, and the Arts (Division 10), American Psychological Association
2006 – present	Member, Dallas Society for Psychoanalytic Psychology
2006 – present	Member, Texas Psychological Association
2006 – present	Member, Dallas Psychological Association
2006 – present	Member, American Psychological Association
2007 – 2008	Member, Annual Meeting Planning Committee National Postdoctoral Association
2007 – 2009	Member, Association for Convulsive Therapy
2007 – present	Member, Division of Clinical Neuropsychology (Division 40), American Psychological Association
2007 – present	Member, International Neuropsychological Society
2009 – 2011	Member, International Society for Neurostimulation
2009 – present	Associate Member, International College of Geriatric Psychoneuropharmacology
2010 – present	Member, Program Committee of Division 40 American Psychological Association
2010 – present	Member, International Liaison Committee International Neuropsychological Society
2010 – present	Member, Society for the Psychological Study of Lesbian, Gay, Bisexual, and Transgender Issues (Division 44) American Psychological Association

2011	Member, Program Committee of Society of Clinical Psychology (Division 12) American Psychological Association
2011 – present	Member, International Society for ECT and Neurostimulation
2011 – present	Member, Scientific Advisory Committee of Division 40 American Psychological Association
2011 – present	Member, Program Committee International Neuropsychological Society
2011 – present	Member, Mentoring Committee of American Psychological Association of Graduate Students American Psychological Association
2012 – present	Representative, Committee on Early Career Psychologists American Psychological Association
2012 – present	Member, American Association for Geriatric Psychiatry
2013 – present	Associate Member, American College of Neuropsychopharmacology
2013 – present	Member, International Society for CNS Clinical Trials and Methodology
2014 – 2015	Chair, Committee on Early Career Psychologists American Psychological Association

Academic Appointments

2006 – 2008	Postdoctoral Research Fellow, Department of Psychiatry, University of Texas Southwestern Medical Center
2007 – 2008	Postdoctoral Research Fellow, Department of Psychiatry, Columbia University
2008 – 2011	Clinical Scholar, Department of Clinical Sciences, University of Texas Southwestern Medical Center

2008 – 2012	Assistant Professor, Department of Psychiatry, University of Texas Southwestern Medical Center
2008 – 2012	Adjunct Professor, Department of Psychiatry, Columbia University
2012 – 2013	Instructor Temporary, Department of Psychiatry and Behavioral Sciences, Duke University School of Medicine
2012 – present	Adjunct Professor, Department of Psychiatry, UT Southwestern Medical Center
2013 – present	Associate Professor, Department of Psychiatry and Behavioral Sciences, Duke University School of Medicine
2013 – present	Associate Research Professor, Department of Psychology and Neuroscience, Duke University School

Honors

1997	Psi Chi (Psychology Honor Society)
1997	Golden Key National Honor Society
2002	Travel Award Graduate Student Organization (GSO), UT Southwestern Medical Center
2004	Travel Scholarship American Group Psychotherapy Association (AGPA)
2005	Travel Scholarship American Group Psychotherapy Association (AGPA)
2006	Travel Scholarship American Group Psychotherapy Association (AGPA)
2006	New Investigator Award National Institute of Mental Health/NCDEU
2006	National Institute of Mental Health Summer Research Institute on Suicidology University of Rochester, New York

[unable to attend due to co-occurring NCDEU meeting]

- 2006 Nominata Award Finalist
UT Southwestern Medical Center
- 2007 Outstanding Dissertation Proposal Award
Dallas Psychological Association
- 2007 Office of Behavioral and Social Sciences Research/National
Institutes of Health 7th Annual Summer Research Institute on
Design and Conduct of Randomized Clinical Trials Involving
Behavioral Interventions
Arlie Conference Center, Warrenton, Virginia
- 2007 Sigma Xi (The Scientific Research Society)
- 2007 Travel Scholarship
National Postdoctoral Association (NPA)
- 2008 Young Investigator Award
National Alliance for Research on Schizophrenia and
Depression (NARSAD)
- 2008 National Institutes of Health KL2 Clinical Scholar
UT Southwestern Medical Center
- 2008 National Institute of Mental Health Summer Research
Institute on Geriatric Psychiatry
University of Pennsylvania, Philadelphia, Pennsylvania
University of California, San Diego, California
- 2008 Travel Scholarship
Postdoctoral Association, UT Southwestern Medical Center
- 2009 International Junior Investigator Award
International College of Geriatric Psychoneuropharmacology
(ICGP)
- 2009 National Institutes of Health Clinical Loan Repayment
Awardee
National Institutes of Health/National Institute of Mental
Health
- 2010 Young Investigator Memorial Travel Award
American College of Neuropsychopharmacology (ACNP)

- 2012 Early Career Psychologist Credentialing Scholarship
National Register of Health Services Providers in
Psychology
- 2013 New Investigator Award, International Society for CNS
Clinical Trials and Methodology
- 2013 National Institute of Mental Health Advanced Research
Institute in Geriatric Mental Health Fellow
Weill Cornell Medical College
- 2013 Travel Award
National Network of Depression Centers (NNDC)
- 2013 Early Career Reviewer Program Awardee, Center for
Scientific Review

Editorial Board Memberships

- 2008 – present Journal of ECT
- 2010 – present Frontiers in Neuropsychiatric Imaging and Stimulation
- 2011 – 2013 ISRN Psychiatry
- 2013 – present Journal of the International Neuropsychological
Society

Guest Editor

- 2011 Special issue of *International Review of Psychiatry* on Brain
Stimulation Therapies in Neuropsychiatry

Peer Reviewer

Data and Safety Monitoring Board Committee Membership

Grantor: National Institute on Drug Abuse (R01 DA029596)
Title: Attenuation of Corticosteroid Induced Hippocampal Changes
PI: Sherwood Brown, M.D., Ph.D.
Date: 1/15/2012 – 12/31/2015
Role on project: DSMB Member

Grantor: Department of Veterans Affairs Cooperative Studies Program (VA CSP 556)
PI: Jerome A. Yesavage, M.D.
Date: 01/04/2013 – 01/04/2016
Role on project: DSMB Member

Fellowship and Grant Support

ACTIVE

Grantor: National Institute of Mental Health (K23 MH087739)
Title: Translational Research Evaluating Neurocognitive Memory Processes (TREC-MP)
PI: Shawn M. McClintock, Ph.D., M.S.C.S.
Mentors: Mustafa M. Husain, M.D., Sarah H. Lisanby, M.D., C. Munro Cullum, Ph.D., Herbert Terrace, Ph.D., George Alexopoulos, M.D., Ira Bernstein, Ph.D., Harold A. Pincus, M.D.
Date: 07/01/2010 – 01/31/2015

Grantor: Duke University School of Medicine
Title: Effect of Visuospatial Training Tasks on Freezing of Gait in Parkinson's Disease
PI: Mark Stacy, M.D.
Date: 01/02/2013 – 01/01/2015

Role on project: Co-I

Grantor: Stanley Medical Research Institute
Title: Transcranial Direct Current Stimulation for the Treatment of Positive and Cognitive Symptoms in Schizophrenia
PI: Carol Tamminga, M.D.
Date: 7/20/2012 – 6/19/2013
Role on project: Co-I

Grantor: National Institute of Mental Health
Title: National Institutes of Health Clinical Loan Repayment Program for Clinical Research (LRP-CR) – 2nd Renewal
PI: Shawn M. McClintock, Ph.D., M.S.C.S.
Date: 07/01/2012 – 06/30/2014

Grantor: Stanley Medical Research Foundation (11T-005)
Title: A Controlled Trial of Transcranial Direct Current Stimulation as a Treatment for Unipolar and Bipolar Depression
PI: Colleen Loo, M.D.
Date: 6/01/2012 – 5/31/2015
Role on project: Co-Investigator

Grantor: NeoSync (NND-3001)
Title: Evaluation of Low Emission NeoSync EEG Synchronized TMS Technology for the Treatment of Major Depressive Disorder: A Multicenter, Randomized, Double-Blind, Sham-Controlled, Trial
PI: Mustafa M. Husain, M.D.
Date: 1/01/2011 – 12/31/2013
Role on project: Co-Investigator

Grantor: National Institute of Mental Health (U01 MH084241)
Title: Prolonging Remission in Depressed Elderly
PI: Sarah H. Lisanby, M.D.
Date: 07/27/2009 – 03/31/2014
Role on project: Co-Investigator

Grantor: St. Jude Medical Center
Title: A Clinical Evaluation for the Management of Patients with Major Depressive Disorder, Single or Recurrent episode, with Deep Brain Stimulation (Protocol C-07-01)
PI: Mustafa M. Husain, M.D.
Date: 04/20/2008 – 05/20/2014
Role on project: Co-Investigator

PENDING

Grantor: Wallace H. Coulter Foundation / Duke University
Title: IECT: Stimulus Individualization to Reduce Side Effects of Electroconvulsive Therapy
PI: Angel Peterchev & Shawn M. McClintock
Date: 09/01/2013 – 08/31/2014
Role on project: Co-PI

PRIOR FUNDING

Grantor: National Institute of Mental Health
Title: National Institutes of Health Clinical Loan Repayment Program for Clinical Research (LRP-CR) – 1st Renewal
PI: Shawn M. McClintock, Ph.D., M.S.C.S.
Date: 07/01/2011 – 06/30/2012

Grantor: National Institute of Neurological Disorders and Stroke (RC1 NS068983)
Title: Validating New NIH Clinical Tools in Parkinson's Disease with/without Depression
PI: Mustafa M. Husain, M.D.
Date: 09/30/2009 – 09/29/2012
Role on project: Co-Investigator

Grantor: National Alliance for Research on Schizophrenia and Depression (NARSAD) Young Investigator Award
Title: Neuropsychological Associated Effects of Magnetic Seizure Therapy (MST)
PI: Shawn M. McClintock, Ph.D.
Date: 07/01/2008 – 07/01/2012

Grantor: Stanley Medical Research Institute
Title: Magnetic Seizure Therapy (MST) for the Treatment of Severe Mood Disorder
PI: Mustafa M. Husain, M.D.
Date: 09/01/2005 – 07/30/2012
Role on project: Co-Investigator

Grantor: UT Dallas Center for Brain Health
Title: Imaging Drug Effects in Cocaine-Dependent Individuals
PI: Daniel C. Krawczyk, Ph.D.
Date: 11/01/2008 – 10/21/2011
Role on project: Co-Investigator

Grantor: Cyberonics, Inc.

Title: Randomized Comparison of Outcomes in Patients with Treatment Resistant Depression who Receive VNS Therapy Administered at Different Amounts of Electrical Charge (Protocol D-21-US)
PI: Mustafa M. Husain, M.D.
Date: 09/01/2006 – 08/01/2010
Role on project: Co-Investigator

Grantor: National Institutes of Health/National Center for Research Resources (UL1 RR024982)
Title: North and Central Texas Clinical and Translational Science Initiative
PI: Milton Packer, M.D.
Date: 6/01/2010 – 06/30/2010
Role on project: Clinical Scholar

Grantor: National Institutes of Health/National Center for Research Resources (KL2 RR024983)
Title: North and Central Texas Clinical and Translational Science Initiative
PI: Milton Packer, M.D.
Date: 06/01/2009 – 05/31/2010
Role on project: Clinical Scholar

Grantor: National Institute of Mental Health
Title: National Institutes of Health Clinical Loan Repayment Program for Clinical Research (LRP-CR)
PI: Shawn M. McClintock, Ph.D., M.S.C.S.
Date: 07/01/2009 – 06/30/2011

Grantor: National Center for Research Resources (KL2 RR024983)
Title: Translational Research Evaluating Neurocognitive Measures (TREC-M)
PI: Milton Packer, M.D.
Date: 08/01/2008 – 11/30/2009
Role on project: Pilot Award Recipient PI

Grantor: National Institute of Mental Health (T32 MH067543)
Title: Mood Disorders Clinical Intervention Training Program
PI: A. John Rush, M.D., Madhukar Trivedi, M.D.
Date: 12/01/2006 – 11/30/2008
Role on project: Postdoctoral Fellow

Grantor: Stanley Medical Research Institute
Title: rTMS for Acute Treatment of Depressed Phase of Bipolar Disorder Type II

PI: F. Andrew Kozel, M.D.
Date: 10/2006 – 10/2009
Role on project: Co-Investigator

Grantor: Stanley Medical Research Institute
Title: Repetitive Transcranial Magnetic Stimulation for the Acute Treatment of Depression in Adolescents

PI: Mustafa M. Husain, M.D.
Date: 10/2006 – 10/2010
Role on project: Co-Investigator

Grantor: Neuronetics, Inc.
Title: A Randomized, Parallel-Group, Sham-Controlled, Multi-center Study to Evaluate the Efficacy and Safety of the Neuronetics Model 2100 CRS Repetitive Transcranial Magnetic Stimulation (rTMS) System in Patients with Major Depression
Treatment of Depressive Disorders

PI: Mustafa M. Husain, M.D.
Date: 02/27/2004 – 09/2006
Role on project: Clinical Research Associate

Grantor: Neuronetics, Inc.
Title: A 9-Week, Uncontrolled, Open-label, Multi-center Study to Evaluate the Efficacy and Safety of the Neuronetics Model 2100 CRS Repetitive Transcranial Magnetic Stimulation (rTMS) System in the Treatment of Patients with Major Depression Previously Non-Responsive to Active or Sham rTMS Treatment

PI: Mustafa M. Husain, M.D.
Date: 02/27/2004 – 08/2006
Role on project: Clinical Research Associate

Grantor: Neuronetics, Inc.
Title: A 6-Month Open-Label Maintenance Study of Patients with Major Depression Previously Responsive to rTMS Treatment with the Neuronetics Model 2100 CRS Repetitive Transcranial Magnetic Stimulation (rTMS) System

PI: Mustafa M. Husain, M.D.
Date: 02/27/2004 – 08/2006
Role on project: Clinical Research Associate

Grantor: UT Southwestern Department of Psychiatry
Title: Magnetic Seizure Therapy (MST) for the Treatment of Major Depression

PI: Mustafa M. Husain, M.D.

Date: 09/01/2002 – 09/01/2004
 Role on project: Study Coordinator

Grantor: NIMH (R01 MH62355)
 Title: Comparing Three Electrode Placement to Optimize ECT
 PI: Mustafa M. Husain, M.D.
 Date: 09/16/2003 – 05/31/2006
 Role on project: Co-Investigator

Grantor: Cyberonics, Inc.
 Title: A Multicenter, Pivotal, Safety and Efficacy Study of the NeuroCybernetic Prosthesis (NCP®) System in Patients with Depression (Protocol D-02)
 PI: Mustafa M. Husain, M.D.
 Date: 09/01/2000 – 08/01/2005
 Role in project: Study Coordinator/Clinical Rater

Grantor: Cyberonics, Inc.
 Title: A Pilot Safety and Efficacy Study of Vagus Nerve Stimulation (VNS) Using the NeuroCybernetic Prosthesis (NCP®) System in Patients with Depression (Protocol D-01)
 PI: A. John Rush, M.D.
 Date: 09/01/1998 – 08/31/2005
 Role on project: Clinical Research Associate

Grantor: NIMH (R01 MH55489)
 Title: Continuation ECT vs. Pharmacotherapy: Safety and Efficacy
 PI: Mustafa M. Husain, M.D.
 Date: 02/01/1997 – 04/30/2006
 Role on project: Study Coordinator

Departmental and University Committees

- 2002 – 2003 Representative, Graduate Student Organization
 University of Texas Southwestern Medical Center
- 2003 – 2006 Member, Graduate Student Organization Scholarship
 Committee
 University of Texas Southwestern Medical Center
- 2003 – 2005 Member, Clinical Psychology Interview Committee
 University of Texas Southwestern Medical Center
- 2005 – 2006 Liaison, Southwestern Group Psychotherapy Service
 University of Texas Southwestern Medical Center

- 2006 – 2007 Representative, Postdoctoral Association
University of Texas Southwestern Medical Center
- 2006 – 2007 Secretary, Postdoctoral Association
University of Texas Southwestern Medical Center
- 2007 – 2008 Vice President, Postdoctoral Association
University of Texas Southwestern Medical Center
- 2007 Member, Student/Trainee Six-Year Planning
Committee
University of Texas Southwestern Medical Center
- 2007 – 2008 Co-Chair, Neuropsychology Postdoctoral Seminar
Department of Psychiatry, Division of
Neuropsychology
University of Texas Southwestern Medical Center
- 2007 – 2008 Member, Postdoctoral Association Scholarship
Committee
University of Texas Southwestern Medical Center
- 2009 – 2012 Member, Neuroethics Group
Departments of Psychiatry and Clinical Sciences
University of Texas Southwestern Medical Center
- 2009 Member, Library Strategic Planning Focus Group
University of Texas Southwestern Medical Center
- 2009 – 2012 Member, Clinical Psychology Interview Committee
University of Texas Southwestern Medical Center
- 2010 – 2012 Member, Medical School Interview Committee
University of Texas Southwestern Medical Center
- 2011 – 2012 Member, Clinical Scholar Selection Committee
University of Texas Southwestern Medical Center
- 2011 – 2012 Member, Clinical Psychology Research Committee
University of Texas Southwestern Medical Center
- 2013 - present Member, Diversity Task Group, Department of
Psychiatry and Behavioral Sciences
Duke University School of Medicine

- 2013 – present Member, Psychiatry Residency Interview Committee
Duke University School of Medicine
- 2013 – present Center Investigator, Adaptive Leadership for
Cognitive/Affective Symptom Science
Duke University School of Nursing

Teaching Experience and Responsibilities

High School

2008 – 2012

STARS Research Mentor and Lecturer

University of Texas Southwestern Medical Center
Graduate School of Biomedical Sciences
Science Teacher Access to Resources at Southwestern
(STARS)

Undergraduate

Summer 2003

Research Mentor

University of Texas Southwestern Medical Center
Department of Psychiatry
Research Methods
Supervisor: Mustafa M. Husain, M.D.

Summer 2004

Research Mentor

University of Texas Southwestern Medical Center
Department of Psychiatry
Research Methods
Supervisor: Mustafa M. Husain, M.D.

Medical Students, Residents, and Fellows

2006 – 2012

Lecturer

University of Texas Southwestern Medical Center
Department of Psychiatry
Division of Geriatric Psychiatry

2008 – 2012

Lecturer

University of Texas Southwestern Medical Center
Department of Psychiatry
Division of Consult Liaison Psychiatry

2013 – Present

Lecturer

Duke University School of Medicine

Department of Psychiatry and Behavioral Sciences
Electroconvulsive Therapy Service

2013 – Present

Lecturer

Duke University School of Medicine
Department of Psychiatry and Behavioral Sciences
Neuropsychology Clinical Didactics

Graduate Student

Fall 2004

Teaching Assistant

University of Texas Southwestern Medical Center
Department of Psychiatry
Division of Psychology
Clinical Methods Laboratory Instructor
Supervisor: Deanna Liss, Ph.D.

Fall 2005

Teaching Assistant

University of Texas Southwestern Medical Center
Department of Psychiatry
Division of Psychology
Clinical Methods Laboratory Instructor
Supervisor: Deanna Liss, Ph.D.

Summer 2008

Lecturer

University of Texas Southwestern Medical Center
Department of Psychiatry
Division of Psychology
Applied Research Design and Methods

2010 - Present

Research Mentor

University of Texas Southwestern Medical Center
Graduate School of Biomedical Sciences
Department of Psychiatry, Division of Psychology

2010 – 2012

Lecturer

University of Texas Southwestern Medical Center
Graduate School of Biomedical Sciences
Department of Psychiatry, Division of Psychology
Psychology Didactics

2011

Lecturer

Texas Women's University
Institute of Health Sciences
Department of Occupational Therapy

Continuing Medical Education Courses

- 2009 **Core Faculty**
Association for Convulsive Therapy
Transcranial Magnetic Stimulation Certificate Course
- 2010 – Present **Core Faculty**
International Society for ECT and Neurostimulation
Transcranial Magnetic Stimulation Certificate Course
- 2011 – Present **Core Faculty**
Duke University School of Medicine
Department of Psychiatry and Behavioral Sciences
Visiting Fellowship in Transcranial Magnetic Stimulation
- 2013 – Present **Core Faculty**
Duke University School of Medicine
Department of Psychiatry and Behavioral Sciences
Electroconvulsive Therapy Visiting Fellowship

Doctoral Trainees and Dissertation Committees

- Trevino, K. (2011). Symptom Based Classification of Treatment-Resistant Depression. University of Texas Southwestern Medical Center. (Chair).
- Fagan, C. (2012). The Impact of Cognition on Treatment Adherence in Comorbid Bipolar Disorder and Cocaine Dependence. University of Texas Southwestern Medical Center.
- Melton, T. (in progress). Anxiety Experienced by Families after a Scoliosis School Screening Referral. University of Texas Southwestern Medical Center.

Master Trainees and Thesis Committees

- Metoyer, M. (2013). The Effectiveness of Electroconvulsive Therapy for Major Depressive Disorder According to Patient Self-Report. University of Texas Southwestern Medical Center.

Pre- and Postdoctoral Trainees for the Past Ten Years

See Attached Table for Pre and Postdoctoral Trainees

Public Education and Outreach

1. Appearances on National Radio: CBS News Radio, Health of the Nation Radio Program (570 KLIF)
2. Interviews for National Print Outlets: APA Monitor, Consumer Reports, Everyday Health/American Online, Lifescript.com, MORE Magazine, MSNBC, My Health News Daily, National Public Radio (NPR), NBC Dallas-Fort Worth, Pegasus News, Psychiatry Weekly, US News and World Report
